

HEAD SICK

Ah sinful nation, a people laden with iniquity, a seed of evildoers, children that are corrupters: they have forsaken Yahweh, they have provoked the Holy One of Israel unto anger, they are gone away backward. Why should ye be stricken any more? ye will revolt more and more: the whole head is sick, and the whole heart faint. From the sole of the foot even unto the head there is no soundness in it; but wounds, and bruises, and putrifying sores: they have not been closed, neither bound up, neither mollified with ointment. —Isaiah 1:4-6

A sinful nation is a sick nation. When God called His people out of Egypt, out of the land of bondage, He plagued the enemies of Israel with many sicknesses. When that did not have the desired effect, He delivered the literal death blow, by taking the life of every first born “of every man and every beast”. Their trust in their gods having been shattered, and their hubris finally broken, Egypt relented. The children of Israel walked out that very night “and spoiled the Egyptians.” Hold that thought for a little while...

As we are today plagued with many diseases, the root sickness of our dying age is [nihilism](#). At the heart of this psychosis is the belief that truth is relative, therefore *there can be no real truth...* for even the very statement that “all truth is relative” is a contradiction in terms. Moral relativism is lawlessness—it is the final and permanent rejection of theism, and was instituted by official decree in 1789 with the founding document of our State, the *U.S. Constitution*. Therein was a seditious oath against Yahweh prepared by the rebellious men of *that day*, and conferred upon the proceeding generations by force and fraud... and solemnly sworn by each and every government official from the President down to the least private in the Army to *this day*.

The sickness took root because the people of God collectively decided that He could be somehow separated from His Law-Word—that One could be worshipped, while the Other rejected. Having cast off their earthly king of England and trading that ‘authority’ for the [god of Liberty](#), they were at last free to believe in any version of ‘truth and justice’ they so chose... and “*In those days there was no king in Israel, but every man did that which was right in his own eyes*”... Or, perhaps, in the eyes of the State.

In a historical inversion of the Exodus account, America had become Egypt. And She’s since been slouching towards Sodom. And the Remnant is in bondage once again.

As arrogant as Pharaoh had been in defying Yahweh, America has now taken up that role and *doubled down*. ‘Citizen-Christians’ have colluded—wittingly or not—with their satraps and [court magicians](#) by exchanging the Word of God for a lie... “*Hath God truly said?...*” The churchmen have since convinced their hearers to be private interpreters of Scripture, granting them ‘freedom of choice’ in deciding which Laws are relevant for today and how, and whether, to obey them.

“*...A people laden with iniquity (lawlessness)*”. ..

But there is a price to pay for that prerogative... When Christians reduced the Law of God to a matter of personal opinion, stronger, malicious segments of society which have dominance will use their *own* opinions as the rule of law. Truth and justice will become *whatever their*

psychopathic rulers say it is and they will be expected to simply do what they're told, no matter how ridiculous or evil. And this is the beginning of their sorrows. For they will ultimately be made *sick* by the decrees of their nihilist-nurses.

I've said it before and am saying it again: *A nefarious plan is unfolding*. Hard choices will *soon* have to be made... The game has changed. You will be forced to accept the new rules, or find yourself outside the "new normal" economy. And I warn you now that some of these rules are intended to destroy your body.

Ominously, these rules will not need to be codified into "law"; they will just be diktats handed down directly from county commissioners, mayors and governors. They will be enforced by none other than your fellow "citizens". Businesses will comply with the orders and subservient patrons will attack anyone attempting to not follow "the rules". Refusniks will be vilified and in danger of physical attack wherever he finds himself in public. He will be easily identified as the one *not wearing the mask*. Soon, within all businesses under State jurisdiction (all public transportation and private under the control of the FAA and DOT, for example), no person will be free to use these services without a digital "vaccination ID" and/or a blood test for "antibodies". [Airline travel](#), border crossings, and passports will be restricted to those who have the proper government documentation of **ritual cleansing**. And there will be no exemptions for conscience.

This incredible sci-fi dystopia which was dreamed up in many forms in literature and movies over the years has now materialized into our "reality". The future is here.

But know that this lawlessness did not occur overnight. It was long in preparation and was permitted to fester and putrefy only because free men and women succumbed to their lust for pleasure and "safety" from responsibility...In the words of a once "founding father", they gave up their freedom for security. And now they will have, nor deserve, neither.

In my neck of the woods, this cabal of [five 'Karens and Kens'](#) has assumed sole dictatorial powers to inflict their will on the 270,000 residents of their county. In doing so, they have actually *overruled* the Governor of the State. Yet compliance will be enforced all the same. Because *rules*. After all, the good people of the county "voted" for these *deciders*, and that is how the game is played. From here on out, no one can decide for themselves what is a safe and productive way to conduct your business, but will be mandated as to what sort of dress code—*face coverings!*—will be followed (that is to say: **where and how you shall be permitted to breathe**), how close you shall stand to another, who shall congregate—and how many, which door you shall enter and exit by, and which direction to travel inside a grocery store! **Nota bene**: they are now *literally guiding your paths*.

And nary a word of dissent from the sheep.

We continue to hear speech about "herd immunity". These phrases are carefully chosen to illicit a psychological response. They are openly telling you we are their HERD. They want the cattle docile and safe, and fully dependent upon their owners... Therefore when it's time to go to market, they can be sold for maximum profit.

But I have news for you if you haven't figured it out yet... *The Owners care not for your health*. They don't care about your "immunity". The paradox is they actively [promote disease](#) in the

herd with their “vaccinations,” pharmaceuticals, and false “foods.” In fact, so-called [hospital errors](#) and [nosocomial infections](#) account for **350,000 deaths** in the US *annually*! These are the THIRD leading cause of all deaths behind heart disease and cancer! And I would argue that even those diseases are mostly caused by the medical-industrial and agro-industrial complexes which control our society. Indeed, we are one sick herd.

More than half of all Americans are on a prescription drug... Many of those, permanently. 1 in 6—from the pre-pubescent to the elderly—take [anti-psychotic meds](#)!... 40% of all adults are [clinically obese](#), and [100 MILLION](#) American adults are diabetic. Being overweight or obese is the NORM now for all ages of the population. Likewise, illicit drug use and alcoholism is chronic among all demographics. Almost **90,000** people die from alcoholism *every year*. Need I speak of cancer? And why we have such a prevalent disease that was nearly unknown in this country in 1900? It is tied with heart disease as the leading cause of death today, and cancer rates are constantly increasing... *Why*—with all our “medical health technology”?

It is because we have forsaken Yahweh, and “*ye will revolt more and more*”.

God gave us his Law-Word for OUR benefit. It was to *bless* us. IF we were obedient, IF we followed His prescriptions, we were promised *life*... And if not, the consequences were automatic... “Baked into the cake,” as it were. The opposite of life and health [for disobedience](#):

If thou wilt not observe to do all the words of this law that are written in this book, that thou mayest fear this glorious and fearful name, The Lord Thy God; Then the Lord will make thy plagues wonderful, and the plagues of thy seed, even great plagues, and of long continuance, and sore sicknesses, and of long continuance. Moreover he will bring upon thee all the diseases of Egypt, which thou wast afraid of; and they shall cleave unto thee. Also every sickness, and every plague, which is not written in the book of this law, them will the Lord bring upon thee, until thou be destroyed. (Deut 28)

Even the blind man can clearly see this today. Yet we have rulers telling us our plagues are coincidental—random occurrences, so-called “[industrial diseases](#)”—they drift about as invisible strands on every breeze, we accidently swallow them in our breakfast cereal... they arise from deficiencies of a thousand pharmaceuticals, which [our bodies need](#); they are the result of a botched Creation and a defective evolution. WE are not at fault. Our theology is never the issue. There is no meaning or purpose behind it; *there is no ethical solution*.

This is the outgrowth of our existential nihilism. We *must* acknowledge that *this* is the god that failed us. Or we are lost.

Because we’ve lost our understanding of cause and effect... By placing our trust in faux-educated fools who literally despise us for our ignorance and naivety, we are left with only the mercy of *chance* at the hands of [megalomaniacs](#) playing games of world domination. (I hope everyone will read that last link and carefully consider the dangerous plans of our antichrist enemy, Bill Gates.)

Our choice, then, always was, and continues to be, *whose* word we will follow—pharaoh’s, or Yahweh’s. Our God truly is the Great Physician, who is greater than all. There are no accidents with Him. There are no purposeless events—every effect has a determined cause, and every sickness, whether to a man or unto a nation, is given by His hand.

See now that I, even I, am he, and there is no god with me: I kill, and I make alive; I wound, and I heal: neither is there any that can deliver out of my hand. (Deut 32:39)

The world-holders who presume to invent our reality, and cause us to fear them and it, WILL answer to God's call one day. They will answer for their crimes. We as His people MUST disassociate ourselves from them and from their dysfunctional world—their *idocracy*.

Now, recall from the beginning how we saw that the children of Israel likely witnessed the false 'miracles' of Pharaoh's magicians which had, perhaps, captivated them while Moses and Aaron were attempting to demonstrate the power, *and authority*, of Yahweh. I can't say for sure, why it is that God uses deception sometimes as a test for His own people, or as a *method* for determining truth. But it is a fact of scripture that He does. How were these false prophets, these *false physicians*, able to do these things which mimicked the signs of God? I do not know. I don't suppose it matters how. But Yahweh's works always trumped theirs. Their power—if indeed any—was only a small portion, on loan from the One True God. But it served its purpose to seal their fate, because it was His ultimate intention to destroy them. Unlike Nineveh, God was not going to give them repentance... They were slated for destruction, and to be *spoiled* by Israel.

When we finally leave Egypt, whether it be in this world, or after our departing, we have a promise from our King that our lives of hardship, or poverty, or imprisonment, or even sickness, will not be for naught. We will inherit ALL things, and we need to *believe that* and live by it... Zion, the Kingdom of God, Israel, the New Jerusalem—these are all stand-ins for God's Remnant, His chosen and redeemed people. We may be the weakest, the most foolish (in the world's eyes), and the least of all people, "*whom no man seeketh after*" while here on our sojourn. But the Kingdom grows and advances relentlessly. The Stone is crushing the kingdoms of men to powder—and while they cower in fear over the plagues that shall come upon them, we can rest confident that OUR God has come, He has *finished* the work, He has *received* the Kingdom from His Father, and He is even now gathering His people into it. And "*by His stripes, we have been healed.*"

Therefore we shall not fear what man can do unto us, for their threats are empty. What separates the enemies of God from us is that *their sickness is unto death...*

"I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this?" (John 11)

If Christ has given you this faith, you are far [more than a conqueror](#) (Rom 8:37). We just need to hold the line and not compromise this truth—whatever the consequences they rail at us. We shall triumph over them, and in doing so, will spoil them *utterly...*

*Therefore all they that devour thee shall be devoured; and all thine adversaries, every one of them, shall go into captivity; and they that spoil thee shall be a spoil, and all that prey upon thee will I give for a prey. For I will restore health unto thee, and I will heal thee of thy wounds, saith the Lord; because they called thee an Outcast, saying, **This is Zion, whom no man seeketh after.** Thus saith the Lord; Behold, I will bring again the captivity of Jacob's tents, and have mercy on his dwellingplaces; and the city shall be builded upon her own heap, and the palace shall remain after the manner thereof. (Jer 30:16-18)*
