

THE GREAT SET-UP

*There's something happening here
What it is ain't exactly clear
There's a man with a gun over there
Telling me I got to beware
I think it's time we stop, children, what's that sound
Everybody look what's going down*

–Buffalo Springfield

None of the events of this year are an accident, nor are they a coincidence. The Covid-19 pandemic, ([planned](#) for at least 10 years) was timed very precisely to serve many purposes, some of which seem apparent, some not so much.

To begin, the occultist nature of this wizardry is only barely obscured. This Covid-19 “[unprecedented disease](#)” was allegedly discovered in December of 2019 (12/2019, or 11x11 /019), and thereafter the “global pandemic” was officially declared on March 11 of this year... 19 years after 9/11. If you should think the devilish use of the numerology is insignificant, simply research all of the (odd?) “coincidences” of the numbers 11 and 9 for the first grand Psyop of 2001 (e.g., 19 ‘[hijackers](#)’, on the 11th day of the 9th month, American Airlines *Flight 11* hits the first of two Twin Towers appearing as a giant number 11 in the New York skyline... $9+1+1=11$). When all is told, a year from now, or perhaps two or three, in hindsight it may seem obvious how we were played and what the end goal was. But for now we are left to our own well-tuned devices of speculation.

Therefore, consider the following scenario and timeline.

2015: Globalists organize and hold an event which they title “**Transforming our world: the 2030 Agenda for Sustainable Development**” declaring it a “*plan for action for people, planet and prosperity*” ... In it, they determine to cause “all countries to act in partnership” to implement such cryptic wonders as “gender equality”, “inclusive societies”, and *economic equality*—the ending of all hunger and disparity through “shared prosperity and decent work for all.” In a nut shell (should you care not to read the [whole blasphemous thing](#)), it is the roadmap to world-wide peace and harmony through *technology*. The God of Creation being no longer necessary or desired, the Elite, the wealthiest of the wealthy, who are the real puppet masters of the world’s State heads would begin to roll out their Plan for the Final Solution of the goy... divided into 5-year goals.

Later that year the most hotly debated presidential campaign of the century sees a “dark horse” candidate ride straight out of Reality TV and sweep the debates, gaining the nomination for the Red Team. He mysteriously wins the election, displacing the presumed Chosen One in a surprise overtime rout.

2016: A disputed election gives way to a very divisive president—allegedly an “outsider”, a loose cannon, who is accused of being a racist and a misogynist and an economic moron. He is impeached half way through his term for *abuse of power and obstruction*, but the partisan Congress can’t agree to convict. Still, a large minority of the population will ever believe he was elected illegitimately and remains in office fraudulently. He is presented by the mass media incessantly as a clear and present danger to our “Democracy” and to our Great Nation, who must be removed at all costs.

Fast forwarding through all the odd political antics, bizarre behavior and tweets, the false promises, the obligatory feigned military operations and false flags, and a plethora of failed prophecies of Q’s and Anons during this exceedingly strange time, and we come to the fourth year...

2019: The wheels begin to come off of the economic fiat money machine and the precarious debt-Ponzi of the financial markets shows signs of faltering. In mid-September the wall street banksters had [ruptured an artery](#) when so-called REPO (overnight lines of credit) rates suddenly rose 10%... The Fed has since injected HALF a TRILLION dollars into these markets to prop them, narrowly avoiding a full-blown panic. One month later, on October 18th, [eugenicist](#) Bill Gates and Co. hold a “[war game](#)” in which they role-play the scenario of a sudden global pandemic causing general havoc, death and disorder, and effectively bringing the world’s economies to a standstill. In practically all known Psyops, such war gaming is always done shortly before the “event” transpires—and are even, in many cases, actively being “role-played” in a simulated incident *while the imagined event coincidentally occurs in reality!*... Such notable examples of this bizarre synchronicity are during the September 11, 2001 travesty, the “anthrax” scare a few months later, the ‘Sandy Hook’ caper, and the 2005 London bombing, to name a few. Or, as others have duly noted, “Once is a coincidence. Twice is a happenstance. Three times is enemy action.”

2020: The Covid-19 pandemic is declared in March, President Trump initially dismisses it as inconsequential and his health advisors inform the public to not freak out, and definitely to NOT wear masks (which we are told are ineffective and counterproductive). Shortly thereafter, that position is reversed and a nationwide, then worldwide economic shut-down begins. Predictably, stock markets crash, causing the uninitiated dolts who had their meager life savings and retirement accounts therein to sell out, losing the prior 12 years of gains... which the rich and initiated quickly snap up for a blue light special. As the markets begin to inexplicably rise again to new heights, new fools, recently middle-aged and middle-classed, are enticed to sink *their* life savings into the rising stocks to re-prime the pump for an inevitable redux (soon to come).

Meanwhile, the “shutdowns” have largely targeted such “non-essential” businesses which primarily employ the young, lower class, and marginally skilled. College campuses are closed releasing a raft of unhappy, budding Marxists onto the streets and back into their parents’ homes. This army of young, disenfranchised and now unemployed future activists is then provided with a large government stipend in the form of a weekly “stimulus” check, courtesy of the newly minted Federal Reserve Trump-bux... Now making more money on “unemployment compensation” than they did while employed, and with nothing to do, they are suddenly given a “cause” through the mass media by way of a number of televised “racist” killings by the hated police. Because they don’t have to look for work and can now afford the luxury of interstate travel, hotels and fast-food, and unlimited cell phone plans, they are well equipped to stage massive, prolonged “protests” in numerous cities. Simultaneously, the illegitimate President Trump is now single-handedly causing untold numbers of Covid casualties by not wearing his face mask in public and refusing to enforce governor’s curfews... And in the background, a witches brew of lab grown RNA, wild “virus” strains, toxic “adjutants”, and foreign human and animal proteins encrusted in heavy metal nano-particles bubbles away in caldrons in subterranean labs...waiting for the vaccination orders.

About this time, it so happens that the next national election is in the works. Remember, it's 2020, and by coincidence, all this occurred during a presidential election year. A grand debacle of "choosing" a democratic candidate to run against the Orange Man—who stole the throne from Her Turn 4 years prior—has resulted in the *inexplicable* anointing of a dementia-addled pedophile—a despised and *privileged white man*—whose three score and ten years will expire before he makes it through one term of office. Chosen for him as running mate is a mongrel "woman of color" who lost badly in the preliminaries and who also happens to be a Marxist, an adulteress, racist against whites, and has vowed to disarm the American people immediately upon entering office. What an interesting combination of un-electable candidates, no? What could possibly be their plan if it is not a setup for a contested election?

An interesting byproduct (again, just an innocent serendipity—not planned) of the lockdowns is the necessity now for widespread *mail-in ballots* to affect the election of the next El Presidente. Obviously, since the incredible danger remains to the public of a pandemic disease, people can't be asked to personally appear at poll stations. An election must be held—on a vast and unprecedented scale—by way of anonymous-*ish* mailed ballot forms. What could possibly go sideways with that?

One sub-scenario is that since *actual* votes of *actual* Americans tallied in voting machines will immediately prove Trump the winner, he will nevertheless not be declared the victor on account of all the tens of thousands (or millions) of uncounted mail-in ballots—clearly all for his opponent. The Blue Team has already been instructed "[not to concede the election under any circumstances](#)." Now come on, is this for real?—you may ask. In fact, they are actively gaming (role-playing, war-gaming) these very things as I speak. A group calling itself "the Transition **Integrity** Project (TIP)" is planning scenarios to [overthrow Trump in the 2020 election](#), whether he loses it or wins it. If it seems like we have entered into a Twilight Zone clown-world wherein State actors would *openly* plot the coup d'etat of a standing president *and get away with it*, apparently we have. Under this scenario,

*"the Democratic Party would announce Joe Biden's election despite an undercount and that House Speaker Nancy Pelosi would swear him in before Donald Trump could be declared the loser. In such a case, **there would be two rival presidents**, which would mark the beginning of a Second Civil War."*

At the least, an unrivaled and menacing imbroglio, the likes of which have never been seen in North America.

Whatever that would look like on the ground, we could only speculate. But it would surely be a fearful time for Americans... As the saying goes, *"the veneer of civilization is exceedingly thin."* I believe we would quickly discover how thin it really was.

It occurs to a few of us that these protests—er, riots—are a training ground of sorts. The young Bolshevik soldiers of tomorrow had heretofore little experience in burning, pillage, and city-wide destruction, nor had they proven their armor or makeshift embattlements. The proper technique of urban riot-war takes some time to learn. Field commanders and lieutenants have to be tested and selected. Weapons must be accrued and practiced. Strategic weaknesses of the enemy must be probed.

And so, the US farce election will go forward. In a way, same as it ever was. We've spoken much here already on the falseness of our "Nation" after the former coup of the Constitutional Convention, way back in 1787. Following in the footsteps of Israel, we **"have set up kings, but not by me: they have made princes, and I knew it not"** (Hos 8:4). Thereafter, a parade of Congressional Acts and "Court Decisions" deracinated the country, and set up wicked man's laws over and opposed to God's Law, bringing our present curses upon us, per Deuteronomy 28 and Psalm 9:17.

After, and during the coming chaos in this falsest of elections, we will proceed into the next phase. Perhaps it will accompany the "next wave" of the Covid crime, and the much more egregious Australia-

style lockdowns—possibly along with Statewide martial law due to the planned riots. This could easily spill over into earth-wide conflict. But the heavens keep turning, and the next year quickly approaches...

2021: The second 5-year plan begins with the “[Great Reset](#)”. Organized by the same cabal which concocted Agenda 2030, the long awaited Reset is due to commence in January of next year. On the table, literally, is the elimination of all national currencies and their replacement with digital money on chipped bank cards or phone apps—all traceable to a central world bank. Cash is gone. ALL transactions are henceforth banked, monitored and scrutinized by AI. After the “vaccine” is released and more people began getting genuinely sick from it, [immunity passports](#) are made mandatory for everyone to restrict all travel and employment. And thereafter, a “new social contract” is promised to the inhabitants of the earth based on “social justice” (as opposed to the *great injustice* of Western Civilization, I presume). Reads their preamble:

“The global health crisis has laid bare longstanding ruptures in our economies and societies, and created a social crisis that urgently requires decent, meaningful jobs.”

If the pandemic and the incited riots, the shuttering and bankrupting of tens of thousands of small businesses, and the resultant **millions** of defaulted mortgages, car loans and useless school loans have shown us anything, it is that we are “urgently in need of decent, meaningful jobs”... Right?

What devious, wicked imaginings have these snakes in store for us?

For one thing, they plan a Universal Basic Income (UBI) for every person on the earth. That won't create any “jobs”, I assure you. Wars tend to put people to work, though.

Ultimately, I don't believe the globalists intend to give all the world a job. I believe they intend to **cull** all the world's citizens who are unfit to serve them in some ‘jobby’ capacity. How—or if—they will bring this into fruition is still unknown. A universally administered toxic vaccine is one candidate. The aforementioned war is another. State policy-induced famine is yet another. The trifecta--“pestilence, famine, and the sword”. They've covered all the bases. But the Bill Gates types, in moments of candor, have openly confessed their disdain for mankind in general. They love themselves and they love death, and they feel they have the power and the means to “cleanse” the earth and to give it to *their own* for an inheritance. This they mean to do, and sincerely believe they will succeed. After all, who is going to stop them?

But, it is not their earth to bequeath to anyone. **Yahweh will have them in derision...soon**. Yet, I don't think He has allowed those wicked men whom [HE has raised up](#) for such a time as this to make all these grandiose plans for nothing. They will surely carry them out, as they have been doing for generations, however unwittingly for HIS purposes. Judgement always begins at the house of God. Afterwards, the nations of the earth WILL learn righteousness.

With my soul have I desired thee in the night; yea, with my spirit within me will I seek thee early: for when thy judgments are in the earth, the inhabitants of the world will learn righteousness. Let favour be shewed to the wicked, yet will he not learn righteousness: in the land of uprightness will he deal unjustly, and will not behold the majesty of the Lord. (Isaiah 26:9-10)

Perhaps the grand set-up is a double-cross on the wicked. The Reset was always the Lord's, and in His time, and His way, it will be accomplished. When Yahweh judges the earth, as we surely need to be judged, it is for the purpose of teaching us righteousness... For the survivors anyway. For those who “will not behold His majesty”, He has a remedy. Hear ye the word of the Lord:

These things hast thou done, and I kept silence; thou thoughtest that I was altogether such an one as thyself: but I will reprove thee, and set them in order before thine eyes. Now consider this, ye that forget God, lest I tear you in pieces, and there be none to deliver. (Psalm 50:21-22)

For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north... But thou art cast out of thy grave like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcase trodden under feet. (Isaiah 14)

Let us be assured and indeed rejoice in this Truth—*Bill and Company*, those “Chosen” imposters, WILL NOT inherit the earth, nor will they enter into the kingdom of God. **Psalm 2 is still in effect.** We must be wise to their intentions and prepare for the battle before us, surely, but none of us, not ONE of us believers who trust in our God should EVER fear the machinations of the wicked. We shall not “fear their faces”, nor their ungodly decrees...

*But rather seek ye the kingdom of God; and all these things shall be added unto you. Fear not, little flock; for it is your Father's good pleasure to give **you** the kingdom. (Luke 12)*
