

## **1-3-2021 - God Will Smite People With Insanity Who Refuse His Laws - Answering More Emails**

Preached first on 1/03/2021 on [www.molibertyradio.us](http://www.molibertyradio.us)

Good morning everyone. I hope you all made it through their concept of the new year. When I heard they had called Trump back to the big, black house early - I kind of thought maybe they had another false flag planned - but I didn't hear anything else - so I guess nothing happened - at least nothing we know about right now.

I want to remind you all again that Kingdom Conference 2021! is just around the corner. We are still planning, Lord willing, for the 18th through the 21st of what the world calls March. We have some folks who reserved a couple of rooms and have offered to combine into one - so it is possible that we have had another room open if someone wants it. If that someone is you - please let us know right away. I doubt that it will stay available very long. The Conference will be held at the Maranatha Bible Camp and Retreat Center - which is just outside of Springfield, Missouri. The facilities are fantastic. All we are asking you to do is help with the expenses that the Center charges us. They charge us for the rooms and the kitchen and meeting hall. Lord willing, we'll be providing the food again - and only ask for donations to help with those costs.

If you have an issue with finances - but want to attend - please don't let that keep you from coming. If you can get here - we should be able to help with the rest.

As I have said many times before - perspective matters greatly - well - I think perspective means everything - when someone is reading the Word - listening to the Word - and preaching the Word. For instance, the quote "church" world is FILLED with quote "preachers" who were once members of the U.S. army. These are people who swore oaths - volunteered to give their lives - to die - to have their arms blown off - their legs blown off - they swore to defend the U.S. CONstitution from enemies foreign and domestic. They went to quote "Bible college" and had their quote "educations" paid for by VA loans. When that man preaches Romans 13 or I Peter 2, or I Timothy 2, or Titus 3 - what do you think their perspective or understanding of those passages is going to be? Are they going to be preaching the Bible from the perspective that God has ordained man's little g "governments" - and they are to be obeyed?

What about the preacher who was or is a quote "police man?" Like the one in Rosedale Ohio. This cop, who is also a quote "Baptist preacher" is:

*...a 17-year police veteran who served in the Iraq War with a Marine Reserve unit that suffered extensive casualties...*

What is his perspective of the Scriptures going to be? Is he going to see it differently, preach it differently - than say a preacher who believes that the U.S. little g "government" with its CONstitution that says - " THIS CONstitution - and our laws and our statues and our treaties - SHALL BE THE SUPREME LAW OF THE LAND" - is actually in place to war against the Kingdom of Christ.

With its laws and its statutes and its treaties that are clearly 100% diametrically opposed to the teachings of the Bible, of Christ, of the apostles - look - one preacher is going to be right at least on say the subject of Romans 13 - and the other is going to be wrong. I realize that BOTH of them could be wrong. And as far as religion as quote "church" goes - I'd say that the chance both are wrong would be great.

I've been preaching that vaccines are a violation of the 6th commandment prohibition against adultery. I preach that anything that alters - or even attempts to alter the natural state that God intended - is the sin of adultery.

How about the preacher who doesn't believe that putting DNA altering substances in your body, or putting the cells of aborted babies in your baby is abominable - such as this one -

(There is audio here of Robert Jeffress. You need to listen to the audio message in order hear it.)

Oh brother. This is what "churchianity" gives. This is what "churchianity" represents. God wants His people to obey Him - no matter what the circumstances that man finds himself in. No matter what anyone else around him is doing - it is better to obey than to sacrifice. If - if - if - a vaccine could prevent you - as a follower of Christ - from dying from some dread disease - but that vaccine alters DNA - it contains ingredients that God said you are not to put in your body - then - brethren - if it's a choice between the vaccine or 100% certain closing of the eyes for good - then we better choose the latter.

God didn't say thou shalt not commit adultery - thou shalt not adulterate my creation - unless circumstances arise that make it necessary. That's called "the ends justifies the means" and for followers of Christ - it should not be said about us.

Well, “pastor” Jeffress will you support mandatory vaccines for people entering the grocery store?

Well, “pastor” Jeffress, would you be in favor of putting people in jail who refuse to be forced to commit adultery in the name of the state?

Well, “pastor” Jeffress, will you support a digital world currency so that we can track, I mean, so that we can get rid of that virus carrying money?

Do I believe that COVID-19 is judgement of God upon the world? No, I do not. Why? First of all - because it doesn't even exist - and I'll say that over and over - it doesn't exist - it's made up - it wasn't made in Wuhan, China - it wasn't made in a military lab in North Carolina - it was made up in the minds of some really truly sick people like Bill Gates, Anthony Fauci, Donald Trump and people like that.

It was designed to bring about some major events in 2021 that are designed to alter the course of humanity hurdling headlong towards a New World Order and every single bit of it is made up. People are not dying. Hospitals are not overflowing.

In the news lately has been the unleashing of a “second wave” of the quote “virus” that is just disintegrating England - but funny thing - a lady posted a video this past week of her walking through a completely empty hospital in England. Then, she posted the video along with some very pointed comments - and she promptly got arrested for it.

So, no, it's not the judgement of God because it doesn't exist. But I'll tell you what the judgement of God IS. We've looked at this before - we need to look at it again.

The principles contained in this chapter are eternal principles. They are generational and extend beyond the Old Covenant World and into the New World. These principles teach us the Mind and Will of God. They teach us the Nature of God. This is what God wants for His people - He wanted it then - this is before the days when they demanded a quote “king like all the other nations” - and He wants it now - in the New Covenant World. This is what God wants for His people. Deuteronomy 28, verse 1.

[1] And it shall come to pass, if thou shalt hearken diligently unto the voice of Yahweh thy God, to observe and to do all his commandments which I command thee this day, that Yahweh thy God will set thee on high above all nations of the

earth:

Alright. Stop for a second.

to observe and to do all his commandments which I command thee this day,

Ok. So this means we should not be drinking, we should not be cussing, we not be smoking and dancing and going to movies - if we observe NOT to do those things - then we are fine with God.

But, when it comes to obeying men's little g "governments" who have told us we are to have numbers, and ids, and licenses, and social security systems, and pay taxes on labor, and get vaccinations, and follow the scientists, and vote for the wicked - then - well - that is ALSO the Will of God for His people. In fact, vaccinations that have DNA altering potentials, and aborted baby cells, and God knows what else - are actually God's Christmas present to His Creation. Really? Goodness. Verse 2.

[2] And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of Yahweh thy God.

Did you catch that? If you obey the commandments of God, you aren't going to have a choice. The blessings are going to overtake you. It's going to happen.

Who has told people, by the voice of the quote "preacher" who received between 2 and 5 million dollars (at least that's what was reported) - that the corona virus vaccine is a blessing from God?

[3] Blessed shalt thou be in the city, and blessed shalt thou be in the field.

[4] Blessed shall be the fruit of thy body, and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep.

[5] Blessed shall be thy basket and thy store.

[6] Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out.

[7] Yahweh shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways.

[8] Yahweh shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto; and he shall bless thee in the land which

Yahweh thy God giveth thee.

[9] Yahweh shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of Yahweh thy God, and walk in his ways.

So, the modern quote “preacher” in America today, is telling people that the corona virus vaccine is the gift of God. And science is great that's come up with the vaccine. And Deuteronomy 28:1-9 - has absolutely no value and is not binding on anyone today - because God has done away with His Commandments. If His Commandments are done away with, then we just all walk in our ways and do our own thing - with our own laws and our own treaties and our own CONstitutions. I'm telling you today - that if we knew the Mind and Will of God - like we should know it - NONE of us - not a single one of us who claim Christ - would be citizens of men's little g “governments” today.

Where is the command in Scripture for God's people to forsake His Commandments, His Laws, His Statutes and Judgements and follow man's? Do we really not know any better? Keep your finger here, please. Turn to Isaiah chapter 58. We'll begin in verse 1.

Now, before we read Isaiah 58, I'm going to give you fair warning. This is the specific passage of Scripture that the missouri highway patrolman took so much offense to - that he told me had taken it as a personal challenge to make sure I spent the rest of my life in prison. I would certainly hope you would be wanting to see what this is. Here it is, verse 1.

[1] Cry aloud, spare not, lift up thy voice like a trumpet, and shew my people their transgression, and the house of Jacob their sins.

Do you see what's going on here? Put yourself in Isaiah's shoes for a minute. God has told Isaiah to Cry Aloud. Spare not. Scream it like a trumpet. Yell it from the rooftops. Let all the house of Jacob know there is a problem. He says,

...shew my people their transgression, and the house of Jacob their sins...

Why? Because they didn't even know what they were doing was wrong. And I'm telling you today, there are people around this world today who call themselves followers of Christ - sincere seekers - sincere followers - and they don't even know that the lifestyle they have learned - from their schools, from their parents, from their quote “preachers” - their lifestyle has caused them to be separated from their God and they

don't even know it.

I've told you before. I had a conversation with another cop, years ago. And when I told him I was a missionary from the commonwealth of Israel - he misunderstood me. When I told Him I was a missionary to America - he said, "We don't need missionaries." To which I responded that America was probably the largest mission field in the world today - in desperate need of a Saviour. And surprisingly somewhat to me - he agreed.

We live a life contrary to the teachings of Scripture - and we don't even know it. Verse 2.

[2] Yet they seek me daily, and delight to know my ways, as a nation that did righteousness, and forsook not the ordinance of their God: they ask of me the ordinances of justice; they take delight in approaching to God.

Look at this. These people, this house of Jacob that God was having Isaiah scream to - Cry Aloud, spare not, lift up thy voice like a trumpet....But these were religious people. I believe the context here says they were sincerely religious. They weren't just playing "church." They sought Him daily. Delighted to know His ways - as a nation that did righteousness, and forsook not the ordinance of their God. They take delight in approaching to God. But something was wrong. Something was very very wrong and God raised up Isaiah to show these people the error of their ways.

Verse 3.

[3] Wherefore have we fasted, say they, and thou seest not? wherefore have we afflicted our soul, and thou takest no knowledge?

We have fasted. We pray. We afflict our souls. We are in misery because we can't figure out what it seems like God has turned His back on us. We have sought you - but you take no knowledge. And then the answer comes,

Behold,

Don't just skip over that word. Don't take it for granted. Whenever you see this Word in Scripture, you've got to know that something big is coming. Mary, Behold, you are going to have a baby. No way. It isn't possible. Yes, Behold, a virgin shall conceive. This is a really big thing.

House of Jacob, God raised up Isaiah to show you a really big problem you had. So big that it required the use of the Word, Behold. Pay attention. Fix your eyes, your heart, your mind on this because I'm going to tell you what God said your problem is. All the while you think you are sincerely following God. You are fasting. You are afflicting your soul.

Behold, in the day of your fast ye find pleasure, and exact all your labours.

I've told you before, when I read that for the first time - the first time I guess that impacted me - well - maybe even the first time I did read it - I was about 19 or 20 years old. I looked at the answer and was more confused than ever. I would think that Isaiah would have told them they were involved in something really bad, like murder, or adultery, or taking vaccines, or something really bad like that. But no, the answer was that they were exacting labours. Good grief. What in the world did that mean?

I never heard this in a quote "church." I was never taught this in a quote "Bible college." I was taught this, though. If you don't know what a word means, you go get a dictionary. The Webster's 1828 is the closest thing I can find the English from 1611 - so that's where I went. Webster says this concerning the word "exact" as in "Exact all your labours." It means,

To force or compel to pay or yield; to demand or require authoritatively; to extort by means of authority or without pity or justice. It is an offense for an officer to exact illegal or unreasonable fees. It is customary for conquerors to exact tribute or contributions from conquered countries. To demand of right. Princes exact obedience of their subjects. The laws of God exact obedience from all men. To demand of necessity; to enforce a yielding or compliance; or to enjoin with pressing urgency.

How about since the word exact came from the Hebrew, let's take a Strong's Concordance and look up the definition there. Well, it's 5065 in Strong's and is *nawgas*. It means to drive (an animal, a workman, a debtor, an army); by implication to tax, harass, tyrannize - distress, driver, exact or oppress, raiser of taxes, taskmaster.

No, God didn't raise up Isaiah at that particular moment to show God's people their terrible sins of murder, or adultery, or vaccination - He raised up Isaiah to tell His people of their terrible sin of taxing labor. Labor is the centerpiece of life. Without labor - life does not exist. And it's not just for the men. Women labor at the start of life. Life does

not exist without labor. So God said - YOU DO NOT TAX LABOR. It's simple. A man labor's so that he can put food on the table. But a man also labors to make a better life for his family - and there is NOTHING - NOTHING wrong with that - so long, of course, as he stays within God's boundaries for doing so.

Labor is a good thing. And it is the intention of God, it's the Will of God, it's the Nature of God, for a man to be blessed as a result of his labor - and God says - YOU BETTER NOT TAX A MAN'S LABOR. If you tax a man's labor - I will not hear your prayer.

Look, this is one major reason why the world is in the shape it's in. Taxing labor is total rebellion to the Creator. God's people should have said NO a long long time ago. But the problem is, you've got "churchmen" like Robert Jeffress, who've been in the pocket of men's little g "governments" assuring the people that it's the gift of God, it's like a Christmas present to rebel against the Will of God. Nothing wrong with a little tax on labor here and there. No problem, God's ok with it.

If the statement about the CON being the supreme law of the land - what's almost as bad as that is their 16th amendment where they took the power to lay and collect taxes FROM WHATEVER SOURCE DERIVED. How dare they make such a statement. Where were the true men of God when these blasphemers adopted such a thing?

Maybe they were out busting stills and and preaching against cigarettes and girls wearin' pants. I don't know. But in addition to preaching against drunkenness and defiling our bodies with cigarettes - they should have been screaming from the rooftops like Isaiah was - that taxing labor will separate you from your God.

For those who would come against these truths by spouting that this is quote "Old Testament" I'd remind people again of James chapter 5. While James chapter 4 rails against citizenship in the world - James chapter 5 again - just like Isaiah - rails on taxing a man's labour.

[1] Go to now, ye rich men, weep and howl for your miseries that shall come upon you.

[2] Your riches are corrupted, and your garments are motheaten.

[3] Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days.

[4] Behold, the hire of the labourers who have reaped down your fields, which is

of you kept back by fraud, crieth: and the cries of them which have reaped are entered into the ears of the Lord of sabaoth.

I'm telling you that labor is the centerpiece of all society and God hates it when men tax other men's labor. Godly Governments - God ordained Governments - yes - it does require financial support to punish evil and praise good - but you find other ways to raise that support than directly taxing a man's labor and threaten to take things from him if he refuses to pay. Nawgas says its tyranny - and our God is not a God of tyranny.

Keeping the Commandments of God is not about drinking, smoking and cussing. The Lord of Sabaoth - look it up - it means the military epithet of God. Sabaoth is used one other time in the last 27 books of the Bible and that's in Romans 9 when Paul was talking about the destruction of Sodom and Gomorrah. Taxing labor makes God so angry He wants to declare war. I'm telling you young people today - find a way to make a living without being part of a system that taxes your labor. You older people - it's not too late for you. I know some of you may think it is. But trust God. Trust and look for Him to provide you a way out. This is where the rubber meets the road. This is what God is talking about in Deuteronomy 28. These are the Commandments of God - knowing that men - who are trying to build their rebellious little g "governments" will purposefully look for ways to legislate God out of people's lives. Man's little g "governments" have purposefully legislated against the Laws of God. The sooner we realize this - the sooner we can educate our generation and turn the hearts of the people back to the God of the Bible.

Men's little g "governments" have been doing this for a long long time. They know what they are doing. Keep your finger there in Deuteronomy still and turn to Daniel 6.

Look at verse 1.

[1] It pleased Darius to set over the kingdom an hundred and twenty princes, which should be over the whole kingdom;

[2] And over these three presidents; of whom Daniel was first: that the princes might give accounts unto them, and the king should have no damage.

[3] Then this Daniel was preferred above the presidents and princes, because an excellent spirit was in him;

What was this excellent spirit? We've talked about it before. It was because Daniel knew the Laws of God.

and the king thought to set him over the whole realm.

[4] Then the presidents and princes sought to find occasion against Daniel concerning the kingdom; but they could find none occasion nor fault; forasmuch as he was faithful, neither was there any error or fault found in him.

[5] Then said these men, We shall not find any occasion against this Daniel, except we find it against him concerning the law of his God.

We know the rest of the story. These wicked men devised a scheme where they convinced the king to pass a law they knew Daniel could not, would not obey. That's what they do. They did it back then - they still do it today. Thank God for the example of Daniel. That example was good back then - it's still good today. Daniel's example is still good in the New Covenant World.

Now back to Deuteronomy 28, verse 10,

[10] And all people of the earth shall see that thou art called by the name of Yahweh; and they shall be afraid of thee.

[11] And Yahweh shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, and in the fruit of thy ground, in the land which Yahweh swear unto thy fathers to give thee.

[12] Yahweh shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow.

[13] And Yahweh shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of Yahweh thy God, which I command thee this day, to observe and to do them:

[14] And thou shalt not go aside from any of the words which I command thee this day, to the right hand, or to the left, to go after other gods to serve them.

Again now. Let's not think of gods as little carved idols from elephant tusks sitting in the huts of deep dark Africa. That's not what gods means. It means rulers, judges and magistrates. Today, because of legislation, the society that surrounds nearly every single one of us listening to me preach today - has rulers, judges and magistrates that are not followers of God or His Christ.

I may not be able to tell you exactly what God's Government on this earth today is supposed to look like. But I can certainly tell you what it's NOT supposed to look like. If no one else will be a citizen of the commonwealth of Israel around you - then go on and be like Daniel and be the only one. I've often wondered where was everyone else? Why is Daniel the only one mentioned? What was everyone else doing? If you are the only one that Comes out from among them to be separate - then be that one. Be like Daniel. He's a great example. Verse 15.

[15] But it shall come to pass, if thou wilt not hearken unto the voice of Yahweh thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee:

[16] Cursed shalt thou be in the city, and cursed shalt thou be in the field.

[17] Cursed shall be thy basket and thy store.

[18] Cursed shall be the fruit of thy body, and the fruit of thy land, the increase of thy kine, and the flocks of thy sheep.

[19] Cursed shalt thou be when thou comest in, and cursed shalt thou be when thou goest out.

[20] Yahweh shall send upon thee cursing, vexation, and rebuke, in all that thou settest thine hand unto for to do, until thou be destroyed, and until thou perish quickly; because of the wickedness of thy doings, whereby thou hast forsaken me.

Could a corona virus be a curse from God? Absolutely it could be. If one exists, sure, it could be. Verse 21.

[21] Yahweh shall make the pestilence cleave unto thee, until he have consumed thee from off the land, whither thou goest to possess it.

[22] Yahweh shall smite thee with a consumption, and with a fever, and with an inflammation, and with an extreme burning, and with the sword, and with blasting, and with mildew; and they shall pursue thee until thou perish.

Again. Could sickness be a curse from God? Absolutely, it could be. Isn't always, but it certainly could be. Is the corona virus a curse from God? No. It doesn't exist. Could a virus or sickness be a curse from God? Does America's sodomite loving society deserve a curse from God? Does an America that quote "taxes from whatever source derived" deserve to be cursed from God? Sure.

Friends I want to say something about those who I hear say things like, I hope God destroys America, or I hope God destroys England. Better be careful. I think we should be more hopeful that God would use us to bring repentance. Don't forget, most of us live here, too. It rains on the just and the unjust. Verse 23.

[23] And thy heaven that is over thy head shall be brass, and the earth that is under thee shall be iron.

[24] Yahweh shall make the rain of thy land powder and dust: from heaven shall it come down upon thee, until thou be destroyed.

[25] Yahweh shall cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: and shalt be removed into all the kingdoms of the earth.

That concept doesn't give me the warm and fuzzies. It makes me want to stand for God and His Laws even more. It makes me want to be a committed citizen to the commonwealth of Israel even more.

[26] And thy carcase shall be meat unto all fowls of the air, and unto the beasts of the earth, and no man shall fray them away.

[27] Yahweh will smite thee with the botch of Egypt, and with the emerods, and with the scab, and with the itch, whereof thou canst not be healed.

Alright. Now we come to verse 28. Is the corona virus a curse from God? No, it is not. It doesn't exist. But is the world today - not just America - is the world today - being cursed by God and going through judgement? Oh you better believe it. I see it every single day. Every where I go and it's getting worse. I wish I didn't have to say that - and the reality is - it may have to get worse still - before or if it gets better. Because the people will not obey God's Laws, Commandments, Statutes, Judgements and His perfect Will - verse 28

[28] Yahweh shall smite thee with madness, and blindness, and astonishment of heart:

[29] And thou shalt grope at noonday, as the blind gropeth in darkness, and thou shalt not prosper in thy ways: and thou shalt be only oppressed and spoiled evermore, and no man shall save thee.

Wow. Every single day we are seeing this more and more. People are insane. They are almost ALL totally insane. Teresa and I use to guess about how many people were

wearing a mask and how many were not. We'd kind of go back and forth - she'd say - 80/20 - I'd say 50/50 - it was hard to say sometimes and depending on where you were - the numbers would vary. But now - it's easy. At least where we go - and that's Aldi's Grocery Store, sometimes Lowe's - you know - places like that. And now - it's about 95% masked vs non-masked. They say nothing but how the number of cases is just going higher and higher and higher - but people - almost every single person is wearing their face diaper - but the numbers continue to rise. December, they said, the most fatalities in a single month - but more people are wearing face diapers than ever.

And people, seems like hardly anyone is questioning it. Then, what little resistance I see now - the people that claim to be resisting the masks, and the stay at home stuff - and all that - wath their rallies - and they're wearing masks. The phony politicians who give lip-service to the agenda - I see them with masks - then hear about them getting a vaccine. I'm telling you that the judgement of God is not the phony pandemic virus - that does not exist - it's the insanity that is seen everywhere from the belief in the fake virus.

Americans believe anything and everything they are told to believe. It is truly crazy.

In March of 2020, Fauci was all over the news telling people there was no need to wear a mask. Now, you hear nothing but the mask. Wear the mask. Social distance. I saw a photo of an airport terminal the other day. People were standing well apart from each while they were checking in. Had their masks on - the whole nine yards. Then, minutes later, they are crammed into their airplane, side-by-side - and no one questions the narrative. That's because they are insane. They have lost their minds.

There is some fake news going around right now. Someone sent me something that said that Fauci said people that died in the Spanish flu outbreak in 1918 - died from wearing masks. Well, that's not what he said. But what he DID say was this. I have the exact article that he signed on to from 2008. He said that people did NOT die from the spanish flu in 1918. They died from developing bacterial pneumonia AFTER they contracted the Spanish flu quote "virus." Well, in the venacular of the kids today - DUH. DUH. When you are sick, God designed your body to expel the sickness from several places in your body. Mainly your mouth, your nose, and another part to be named later. Prevent the sickness from getting out? Trap the sickness so that it can go right back in the body? Brilliant. Absolutely brilliant. And that is exactly what Fauci said in his 2008 study of the Spanish flu.

Well, how do you think those people contracted bacterial pneumonia? DUH. DUH. DUH. But these people - because they are totally insane - either can't see or hear what they themselves are saying - or worse - they actually want people to be sick - then die. Is that even possible? Please, read the article for yourself and you will see that Fauci said people died from bacterial pneumonia - not from the Spanish flu virus.

Wearing a mask is rebelling against the Laws of God. You know, if you'll go back and listen to my very early messages on all this propaganda - you'll hear me say over and over that it is sin to wear a mask when you are not sick. Well, if God designed your body to expel sickness from your mouth and your nose - then maybe it's also rebellion against God to wear the mask when you are sick! I know this. According to Fauci and the other quote "scientists" that signed on to the article - it doesn't take a whole lot of math to add two and two together. "I've got some sickness. My body wants to get it out. If I put something on me to trap it - then - have it reenter my body after my body has expelled it - well - maybe that's not such a good idea."

I have also put on the website's corona hoax page - an article about the rising cases of bacterial pneumonia that are taking place in America right now. But of course, as we all know - there is a 100% cure rate from bacterial pneumonia, cancer, heart attacks, car wrecks, gunshots, because absolutely no one gets sick anymore and no one dies anymore from anything other than Covid-19. Covid-19 has replaced every cause of death known to mankind. I have also put articles on the website that provide the now non-existent statistics for the flu. In 2018, they said about 40,000,000 people in the U.S. contracted the flu. Now, the numbers are so low - they aren't even keeping track. That is amazing how that works. Well friends, to believe these lies, to me, is a tell-tale sign of insanity.

The quote "scientists" have always said it takes 10 years to develop a quote "safe vaccine" - oxymoron alert - boy is that named appropriately - but here's a vaccine that is fast-tracked - just a few months supposedly - and people are going nuts - I mean - of course it's probably a lie since I saw it on the news - but supposedly 90 year old people in Florida - stayed in line all night long to make sure they could get their shots. Wow. People are nuts.

Bill Gates has made no bones about it - he's been very open and vocal about depopulating the world - and this new vaccine admits it has no study whatsoever as to whether it causes infertility. But again - for the follower of Christ - and hopefully those of you who are listening have been non-conformists - this issue is not so much about

the ingredients themselves, per se, or the side effects - well - I guess that's not totally accurate - when the ingredients and the side effects result in adultery - then the child of God has to say No.

This is why I was so adamant with you many months ago about not wearing a mask. The mask was a little something compared to what I felt was coming - and that was the vaccination. I felt like if we were not faithful in the little things - we wouldn't be faithful in the big things.

“Oh, well, I'll never take the vaccine.” Well, did you take the mask? The mask was a little thing. What about if they really decide to enforce that you can't leave your house, or go to the store, or go to work, or whatever, if you can't prove you had the vaccine?

It's being faithful in the little things.

If we had been citizens of the commonwealth of Israel - all along - a long time ago - if we had been taught that our citizenship is only supposed to be in the nation of God - and had we obeyed - I really don't believe our generation would be where it is today.

So, now that we know. We've got to start living accordingly. It is better to obey than to sacrifice. That principle is as good today as it was when Samuel told Saul that hundreds of years ago.

This week, I received an email from a dear listener in the Philippines. And what she said, well, I admit is was a little hurtful. Not what she said. She has been nothing but a blessing and I am encouraged every time I hear from her - but she said that she had given my book to someone that meets with their group to discuss the Scriptures and my book was not well received. The comment was that “it seems like he really hates government.” Well, I can certainly see how someone who has not listened to me preach very much - might say that. But the truth is - it's not so much as a hatred of men's little g “governments” though that is certainly true - but it's that I am calling people out of men's little g “governments” and into the Only God Ordained Government in the New Covenant World.

Everyone wants to read the Bible and find their quote “nation” in it. In the U.S., so many people are so desperate to find America in the Bible - but it's just not there. You have to make all these interpretations and hypotheses - and assumptions - in order to do so.

The Bible is a book about Israel. It's written by Israelites, to Israelites, for Israelites, by the God of Israel. Someone needs show me somewhere where God has told people that claim to follow Him - that they are to be flag-waving - proud citizens - of quote "nations" that are not of Israel. It isn't there.

I've quoted Ephesians chapter 2 so many times in my messages and I've tried to answer all the different opinions and even objections. Whether a man believes that he can trace his physical lineage to Abraham or whether he sees no value in trying to do so - the passage of Scripture says - those without Christ - at that time - were strangers and aliens to the commonwealth of Israel. But when you come to Christ - when you are in Christ - you are now no longer strangers - no longer foreigners - but fellow citizens with the saints. The book is STILL about being Israel.

For the life of me - and I've been studying the book for more than 50 years - I can't see anywhere, not a principle, not a guess, not an assumption, no stretch anywhere - where God tells His people - where Christ tells His followers - to go be flag-waving, pledge reciting, oath keeping, law-abiding - citizens of the nations of the world.

So, if that is considered to be hatred for men's little g "governments" then I guess there's not much I can do about it. Men's little g "governments" are in the business of legislating God out of their societies and I think it's wrong. And I think we, as followers of Christ are to follow His voice and His alone. We are not to follow scientists. We are not to follow politicians. We are to follow Christ. We are to be 100% - fully immersed into Christ, His teachings, His Father's Laws, His Father's Will - and we aren't supposed to bow to or submit to anything other than Christ.

Somehow the county health department is the final authority on health. Have we forgotten that our King was once called the Great Physician? Can you - honestly - with a straight face - tell me that Christ would have gone down to the local health department and rolled up His sleeve to take their vaccine - their dna altering, aborted baby cell containing vaccine? He wouldn't have gone to the health department - because HE is the health department.

How is that so offensive? How can someone who also claims to be a follower of Christ be offended at this?

Again, easy. Perspective. The Baptist quote "preacher cop" ex-military - SWAT member -

is going to see it totally different. And in this case, absolutely, one perspective is right and the other is wrong. Can't have it both ways.

In closing, this morning, I want to respond to another email. I think it will benefit a lot of others, too.

Last week we read from Revelation 18. And, yes, absolutely, it looks like America. But it also looks like England - and if someone lives in Australia - they might say the same thing. Revelation 18 is what all nations who refuse to submit to the King will eventually look like.

But this is why we have to stay faithful to the truth that Revelation 18 is not being fulfilled today. When Revelation 18 was being fulfilled - in the first century - we need to understand that there was absolutely NOTHING those people could have done about the impending judgement - the impending destruction. The pestilence, the disease, the torture, the destruction, the one-world government, the one-world religion - nothing they could do about it because they were living in the generation that WAS fulfilling Bible prophecy.

Their very existence had been foretold hundreds of years earlier. This was the plan of God for that century and there was nothing they could do about it. For those that did escape - they did so because Christ told them - "When you see these things start to happen - flee the city - head to the mountains." And the ones that did - were saved.

The events that took place in the first century - the destruction of Jerusalem - the temple - could not - would not - be changed. There was nothing that could change the prophesied outcome.

Today - even though America looks like Revelation 18 - America is not fulfilling Bible prophecy to the point where nothing we can do can change the outcome. We can see change. By our obedience to Christ. By our conforming to the Scriptures - nations can be turned - rebellions can be quashed - kingdoms can be brought down and brought to obedience to the King. But it requires our obedience. Judgement begins at the house of God. Judgement begins at the commonwealth of Israel. God's people must return to Him. We must be a light - and even more so today - we must be salt. We must be an irritant. We must stand in the way. We can't just sit by and watch it all burn. The insane are running the asylum - yes - but God's people must stay faithful to our King.

I'm telling you, Come out from among them and be separate very well could have been a lot easier 20, 30, 40 years ago. I wish more would have Come out 30 years ago. I believe it was easier then. But the command from God is still the same.

I absolutely believe there are evil men out there - who have taken God's Word and have twisted it into things it is not intended for - for the purpose of making people believe that Bible prophecy is being fulfilled today. Yes. For the purpose of creating complacency. And they have done it - and they have done it well. They've given the modern quote "preacher" tax-exempt status and the tax-deductible gift - in exchange for the preacher preaching this diabolical message of obedience to those who have legislated God out of most people's lives.

But I believe that the message I preach, that by coming out from among them and being separate - offers the greatest amount of hope for our critically impaired generation. Yes. God can do a lot with a little. But He works through His people. I've said before that it was said of the apostles, "These that have turned the world upside down are come hither also...." I've pointed out that that world turning those apostles did was quite possibly accomplished in a short period of time. That, I believe, and will have great hope in - is an eternal, generational promise that transcends the Old Covenant World and is a promise and a hope even for our generation.

Stand fast, brethren, in the liberty, wherewith Christ has made us free and be not entangled again in that bondage.
