

**The commonwealth of Israel, My Sheep Hear My Voice, Come Out From Among Them**  
Preached first on 4/12/2020 on [www.molibertyradio.us](http://www.molibertyradio.us)

Good morning again friends. I'm glad that you are taking the time to listen to the message that Yahweh has given me this week. I'm sorry to have to tell you that He didn't call me on the phone, He didn't speak to me in an audible voice like apparently He does to some of the 501(c)(3) government owned quote "preachers" - but nonetheless - through the study and meditation on His Word - His written Word and on principles gleaned from understanding His Perfect Will for His Creation - I have a message that will be delivered from the Word of God to His sheep.

Kingdom Conference 2020 - has a new date. The month they call September 17th through the 20th. I hope you will get this on the calendar and begin to make plans to join us during this time. I'll have more details coming soon.

As you well know, with the exception of a few comments here and there - I haven't spent much time dealing with the plandemic, the plannedemic, the scandemic, the coronavi-hoax-id2020 - but I can't help but make a few observations this morning.

I have made it very clear that I absolutely believe this is fake. When people tell me quote "there are people dying all over the place" I do not let them get away with it. It is not true. "But I know someone who works in a hospital." Yeah, sure. In Springfield, Missouri we hear of multiple accounts where people are NO LONGER working in the hospital. Nurses are being laid off because there is no work for them to do. Don't try to tell me that there are corona-virus nurse specialists and others are sent home. That's ridiculous. I don't believe it.

Drive past the hospitals in Springfield, Missouri today and they look like ghost towns.

Worldwide **1,722,308** Deaths: **104,775**. And they have managed to shut the world down over these statistics. The United States CDC reported last year in the U.S. alone - the disease burden of influenza - as many as 44,995,691 contracted the flu and as many as 52,664 died from it. Yet very few people in the U.S. even know this. In the year before as many as 58,000,000 contracted the flu and as many as 95,000 died from it. Yet hardly anyone knew those numbers much less cared about it.

As recently as the 29th of February, Anthony Fauci, director of the National Institute of Allergy and Infectious Diseases said there was no need to panic, no need to fear, no

need to change lifestyle. Then, a few weeks later claimed that millions would die. Then, Trump, and of course, he's going to blame it on someone else, claimed that 100,000 to 200,000 Americans were going to die - then they dropped that number about a week later to 80,000, then yesterday they dropped it to 60,000 while it sits below 20,000 with quote "health officials" now putting out documents doing everything they can to make sure that every single death they can come up with is caused by the quote "Covid-19" virus. They are lying. And they are managing to get nearly every single person in their health system - every single media talking puppet - and the great majority of their sheeple perpetuating this great swindle.

Even after being exposed for another lie, I heard them again on the local news here saying that the baby - born 22 weeks premature - barely half way there - was delivered 22 weeks prematurely only to die from the corona virus. How stupid can people be?

According to the local media in Springfield, whenever someone has died from quote "Covid-19" in Greene County - the ominous sounding - "death toll rises." "Another Greene County resident has died from Covid-19, bringing the death toll to uhhhhhhh 6. This makes the 5th resident of Morning side assisted living community to succumb to the dreaded disease. The man, in his late 90s, had been in hospice care for the last 10 weeks. Our deepfelt condolences go out to this man's family."

Tragic. Just tragic. These people in hospice, in their 80s and 90s are tragically dying, I mean, it's such a shock, we just can't believe that all these people - this "death toll" this pandemic crisis - people are just dying all around us.

If someone says the word "several" to you, what kinds to mind? To me, it's usually three. Usually more than two because for two, we most likely would say a couple. To me several is usually three. If it's more than that for some of you, who cares? Doesn't make a bit of difference.

On the news last night, it was reported that 4 people - 4 people - who had been ordered to quote "stay-at-home" in Christian County, Missouri - isn't that ironic? But 4 people who were quote "staying at home" were found dead in their homes. To me, that's tragic. That's a tragedy. That's an injustice. But after the quote "death toll" from Covid-19 was reported - this story headlined with quote "several people have died after well-being checks were conducted." The media is so blatantly obvious in their part of keeping this hoax going.

There is an agenda. It's not from a physical disease. This is all a mental disease and it's

called insanity. And I'm telling you it is the result of rejecting God's Laws. It is the result of men creating their own religions, their own statues, then persuading men and women boys and girls - some with physical threats - to obey and submit to these wicked creations of men.

In last week's message, we looked at John 17 and we saw the Words of Christ saying that He did not pray for the world. Not long after the conclusion of the message, Jeff sent me a note and it had Jeremiah 14:11 attached to it. For a few minutes this morning, let's look at Jeremiah chapter 14. In order to get to verse 11, let's begin at verse 1. Remember as we read this passage that these prophetic words have already been fulfilled - but - and listen now - principles remain. We learn from the historical record of the Scripture. We see what to do and what not to do. The cursings that were prophesied and came upon Judah - do not have to come on us. Don't read texts like this and say that our outcome has to be the same. We can make change. When our sin is exposed to us - we repent, we change our ways, and the outcome can change. Verse 1.

[1] The word of Yahweh that came to Jeremiah concerning the dearth.

Dearth means drought, withholding of rain. The withholding of rain just about always denotes rough times for people. No rain, no crops. No crops, no food. It is normally a time where men are being punished by Yahweh for a failure to remain faithful to Him. Verse 2.

[2] Judah mourneth, and the gates thereof languish; they are black unto the ground; and the cry of Jerusalem is gone up.

[3] And their nobles have sent their little ones to the waters: they came to the pits, and found no water; they returned with their vessels empty; they were ashamed and confounded, and covered their heads.

[4] Because the ground is chapt, for there was no rain in the earth, the plowmen were ashamed, they covered their heads.

They knew this was their fault. They were ashamed, they were embarrassed.

[5] Yea, the hind also calved in the field, and forsook it, because there was no grass.

[6] And the wild asses did stand in the high places, they snuffed up the wind like dragons; their eyes did fail, because there was no grass.

And when the drought comes, the hard times come, some of the people pray.

[7] Yahweh, though our iniquities testify against us, do thou it for thy name's sake: for our backslidings are many; we have sinned against thee.

In America today, I cannot recall hearing any prayers where the people are admitting that their iniquities and their backslidings are testifying against them. I'm not saying that is not happening. I'm just saying I haven't heard it. Instead, I'm seeing the arrogant rise up with even more arrogance in claiming that they will find the quote "cure." They will be the saviour of the world.

[8] O the hope of Israel, the saviour thereof in time of trouble, why shouldest thou be as a stranger in the land, and as a wayfaring man that turneth aside to tarry for a night?

I hope that when you heard the Words of the first part of this verse, your ears stood to attention. When I read these, the hair on the back of my head stood. What is the hope of Israel? Do you remember? Do you remember Acts 28? Turn with me to Acts 28. Look at verse 20:

For this cause therefore have I called for you, to see you, and to speak with you: because that for the hope of Israel I am bound with this chain.

Now drop down to verse 26:

Saying, Go unto this people, and say, Hearing ye shall hear, and shall not understand; and seeing ye shall see, and not perceive:

[27] For the heart of this people is waxed gross, and their ears are dull of hearing, and their eyes have they closed; lest they should see with their eyes, and hear with their ears, and understand with their heart, and should be converted, and I should heal them.

[28] Be it known therefore unto you, that the salvation of God is sent unto the Gentiles, and that they will hear it.

[29] And when he had said these words, the Jews departed, and had great reasoning among themselves.

[30] And Paul dwelt two whole years in his own hired house, and received all that came in unto him,

Now watch. Here is the hope of Israel that Paul was preaching. This is the salvation message he was delivering. This is the message that had him locked up in jail, in chains.

But this message - though difficult for Paul and others to preach - this was the hope of Israel in Jeremiah's time as he was prophesying to Judah - and this is the hope of Israel that Paul was preaching in the first century.

[31] Preaching the kingdom of God, and teaching those things which concern the Lord Jesus Christ, with all confidence, no man forbidding him.

And brothers and sisters in Christ today - this is STILL the hope of Israel. This is STILL the Saviour of Israel. The Kingdom of God as a present-day reality - right now - is the hope of Israel. And for most of us living today, we've been taught all our lives that the Kingdom of God is future. If the Kingdom of God is future - there is no hope. The hope of Israel is the Kingdom of God and the hope for the rest of the world is for Israelites to preach to them the Gospel of the Kingdom of God.

And that Gospel message is that every knee bow and every tongue confess that this Jesus, Whom they slew and hung on a tree, God hath made Him both Lord and Saviour. Every man woman, boy and girl, and that includes every man that calls himself falsely a king, every man that calls himself falsely a president or a governor - every one of them is to bow the knee, repent that they have made governments to themselves, repent of their iniquities - their legal injustices - their definitions of good and evil, right and wrong, turn from their legalities and submit to the Kingdom of God.

Unless and until this happens - there will be no face of God turned to the land. It cannot happen, it will not happen. God will not - God cannot - go against His Own Will - His Laws, His Statutes and Judgments. He doesn't make exceptions. He doesn't allow loopholes. He's plainly declared in His Word what is right and what is wrong, what is good and what is evil - and it's in stone. Yahweh - unlike the quote "leaders" in the world - is not a two-face, double-minded, blown with every wind man.

The hope of Israel - for all time - since before the foundation of the world - is the hope of Israel - the Kingdom of God. Go back to Jeremiah 14, please, verse 9.

[9] Why shouldest thou be as a man astonished, as a mighty man that cannot save?

All the way back in Jeremiah's day, men were the same then as they are today. Mighty men - operating outside the Authority and Power of Yahweh - cannot save. Do you know how painful it is as a preacher to hear others - I mean people you love - people you care about - people that are listening to you preach - it is painful to hear those people say that Trump is coming to the rescue. Or the CONstitution is the answer.

Mighty men - operating outside of the Kingdom of God - cannot save.

Listen, I heard Donald Trump say yesterday, quote "I am a Christian." But sadly, in the same voice, I heard him say that he was quote, "having church via computer with Robert Jeffers." Christianity and churchianity are not the same thing. A man can sit there and call himself a "christian" until he's blue in the face - or red in the face - but that doesn't make it so. Churchianity is a religion - a manmade religion - that is an extension of a godless state and the hope of Israel - if taught at all - is taught as a futuristic, pie-in-the-sky, not for today, Jews are God's chosen people - damnable heresy that was created for the purpose of keeping people from finding the Kingdom of God. And it wasn't created to keep the evil people from finding the Kingdom - it was created to keep seeking people from finding it. And it has worked really well.

Listen to me friends, if a quote "preacher" is coming to you in the name of a "church" - you better be careful. There is no God given Authority for the word "church" to even be in our English Bibles, let alone be the foundation for our faith - or system of belief based on the truths of God's Word. We better wake up to this and we better be boldly proclaiming to our loved ones - if they are still caught up in that heresy called quote "church." Continuing with verse 9 of Jeremiah 14:

yet thou, O Yahweh, art in the midst of us, and we are called by thy name; leave us not.

[10] Thus saith Yahweh unto this people,

Better listen up. Yahweh is getting ready to reveal His mind to people. He is getting ready to tell people what His Will is. Listen now,

Thus have they loved to wander, they have not refrained their feet, therefore Yahweh doth not accept them; he will now remember their iniquity, and visit their sins.

Oh my word. Remember, the people were in desperation to begin this chapter. They were in the middle of drought. No rain. No food. Then they began to cry out to Yahweh. We know we have sinned. We know have committed iniquity. But regardless of our rebellion, we are still your people, please help us.

Thus have they loved to wander, they have not refrained their feet, therefore Yahweh doth not accept them; he will now remember their iniquity, and visit their sins.

Where did we ever get the idea that we can live any way we want to. Do anything we want to do. Create our own religions. Create our own governments. Create our own laws, statues, set ourselves up CONstitutions and presidents, and senators and representatives and judges that not only care nothing for the Scriptures, but many times publicly show disdain for the immutable, unchanging, unwavering, ever relevant Laws of God.

We've chosen to do our own thing. We've publicly chosen which laws we will serve - then when things start to crumble around us - we marvel that Yahweh is not there to save.

It's because of false religion created by the "church" and the "churchmen" who are merely extensions of the state.

I laughed out loud when I saw the video of the woman they call governor in Kansas who said she ordered the shutdown of Kansas' "churches." Right in front of everyone - she's making it clear that the quote "churches" are owned by the state. The "churches" are Kansas businesses just like all the other businesses in Kansas. The state owns and controls the quote "church." And the state can determine when the church is open and when the church is closed. The quote "church" in Kansas is under the quote "jurisdiction" of the state and the state will tell it what it's operating hours can and cannot be.

The quote "church" does not exist by the Authority of Christ. Christ is not the head of the quote "church" - the state is. And though some of us have been shouting this for many many years - today - it's everywhere. It's in everyone's faces - and they still don't get it.

"Church" is the religious arm of the state. "Christianity" is followers of Christ serving the King of kings and Lord of lords trying to call others out of the kingdoms/governments of men and into the Kingdom of God.

Remember at the start of this message, I reminded us that Christ said in John 17 in his prayer - I pray not for the world. But I pray for those that Thou has given me.

In Jeremiah's day, the land was in a drought - no doubt caused by the people's refusal to follow Yahweh - and now Jeremiah is saying - verse 11:

[11] Then said Yahweh unto me, Pray not for this people for their good.

Friends, we need to be very careful about how we pray today. America is a quote "nation" - albeit redefined from what the real definition of nation is - but America is made up of people who have embraced the slaughter of millions of babies, they have embraced sodomite marriages, America is a people made up of freaks and queers and perverts - and for a great part - those that aren't freaks and queers and perverts - not only accept it - but defend it.

I'm not saying that Yahweh sent the corona virus as punishment - because I do not believe that it is anything different than the flu - well - maybe it is a mutated version of the flu - but I don't believe it's killing any more people than the flu is - but the fallout from all this IS punishment. We are absolutely seeing "THENS" from the "IFS" that Yahweh has said for thousands of years will occur to people who refuse to follow His Laws. America is without excuse. America - quite possibly more than any other place on earth today - should know the truth. But it stays in a constant state of rebellion and defiance. At least Judah gave some lip-service to Yahweh in trying to find a solution to their crisis.

I'm sorry, but standing up in a news conference and saying, "I'm a Christian" in no where compares even to what Judah said in Jeremiah 14. Verse 12.

[12] When they fast, I will not hear their cry; and when they offer burnt offering and an oblation, I will not accept them: but I will consume them by the sword, and by the famine, and by the pestilence.

[13] Then said I, Ah, Lord GOD! behold, the prophets say unto them, Ye shall not see the sword, neither shall ye have famine; but I will give you assured peace in this place.

Knowing without a doubt that the people today are being destroyed because they've listened to the voices of strangers, they've followed the ministers of satans transformed into angels of light - it isn't surprising at all to hear and read comments from the "churchians" who are saying that their deliverance is soon coming. On the pages where I read comments from people who are angry about all this hoax going on - and where I see people that are seeing through the hoax and are seeing the coming mandated testing and vaccinations - I see a lot of quote "churchian" commenters who are telling people that we are now entering the quote "tribulation period." Then I read other quote "churchians" correcting the record and telling people no, this is not the quote "tribulation period" because the quote "church" will not be here during the

"tribulation" - it will be raptured away.

There are people seeing through the propaganda - and friends - there is no rapture. Rougher times are coming and we better gird up our loins with the hope of Israel - and be ready to stand. For the follower of Christ - cast out fear. This is possibly the greatest time I've ever seen in my life to be a follower of Christ.

Obey God. Stand fast in the liberty where Christ has made us free. Stand, stand, stand that we may be able to stand against the wiles of devils. Come on now. Do we believe this? Do we serve the same God that delivered His faithful people?

Pray not for the world. Pray for Yahweh's faithful. The world has made its choice. The world has made its bed and it's time for the world to lay in it. Pray for Yahweh's faithful.

These people that are offering the false hope of rapture are like the false prophets from the first century, when every single sign given was foreshowing the eminent destruction of Jerusalem, it was said of the liars and false prophets by Josephus in Book VI, verse 1:

*Thus did the miseries of Jerusalem grow worse and worse every day; and the seditious were still more irritated by the calamities they were under, even while the famine preyed upon themselves; after it had preyed upon the people. And indeed the multitude of carcasses that lay in heaps one upon another was an horrible sight;*

Then chapter 5, paragraphs 2 and 3:

*Now there was then a great number of false prophets, suborned by the tyrants, to impose on the people: who denounced this to them, that they should wait for deliverance from God; and this was in order to keep them from deserting; and that they might be buoyed up above fear and care by such hopes. Now a man that is in adversity does easily comply with such promises. For when such a seducer makes him believe that he shall be delivered from those miseries which oppress him, then it is that the patient is full of hopes of such his deliverance.*

*3. Thus were the miserable people persuaded by these deceivers, and such as belied God himself. While they did not attend, nor give credit to the signs that were so evident, and did so plainly foretell their future desolation. But like men infatuated, without either eyes to see, or minds to consider, did not regard the denunciations that God made to them. Thus there was a star, resembling a sword, which stood over the city: and a comet, that continued a whole year.*

## Jeremiah 14:14

[14] Then Yahweh said unto me, The prophets prophesy lies in my name: I sent them not, neither have I commanded them, neither spake unto them: they prophesy unto you a false vision and divination, and a thing of nought, and the deceit of their heart.

[15] Therefore thus saith Yahweh concerning the prophets that prophesy in my name, and I sent them not, yet they say, Sword and famine shall not be in this land; By sword and famine shall those prophets be consumed.

[16] And the people to whom they prophesy shall be cast out in the streets of Jerusalem because of the famine and the sword; and they shall have none to bury them, them, their wives, nor their sons, nor their daughters: for I will pour their wickedness upon them.

[17] Therefore thou shalt say this word unto them; Let mine eyes run down with tears night and day, and let them not cease: for the virgin daughter of my people is broken with a great breach, with a very grievous blow.

[18] If I go forth into the field, then behold the slain with the sword! and if I enter into the city, then behold them that are sick with famine! yea, both the prophet and the priest go about into a land that they know not.

[19] Hast thou utterly rejected Judah? hath thy soul lothed Zion? why hast thou smitten us, and there is no healing for us? we looked for peace, and there is no good; and for the time of healing, and behold trouble!

Now listen, please. Hear this. Yahweh has not utterly rejected Judah today. Yahweh has not utterly rejected Israel. But Yahweh has absolutely rejected the United States of America. Yahweh has absolutely rejected the Cortez Generales, the Council of Ministries and Deputies of Spain. Yahweh has absolutely rejected the Kingdom of England. All manmade quote "governments" that have been created since AD70 - Yahweh has utterly rejected them - unless - those Civil Governments have been built on the Kingdom of God and the Laws, Statutes and Judgements of Yahweh. Period.

If people are following any laws, statues or judgements that are not Yahweh's - in the New Covenant World - Yahweh has utterly rejected them.

We need to stop this nonsense that the United States of America was built on the Bible. That it's "laws" are based on Scripture. They are not. The CONstitution is not based on the Bible. We are fooling ourselves today if we believe this - it is not true.

The United States' problems are not new. They are not a result of turning from the

original CONStitution. In 1797, the Treaty of Tripoli stated that the United States of America was not in ANY SENSE founded on the Christian religion. And I see that as Christian in the correct sense of the term. The men who founded the United States used "churchianity" to wherever it would benefit them and Christianity was abolished.

Judah cried out in Jeremiah 14:20

[20] We acknowledge, O Yahweh, our wickedness, and the iniquity of our fathers: for we have sinned against thee.

[21] Do not abhor us, for thy name's sake, do not disgrace the throne of thy glory: remember, break not thy covenant with us.

[22] Are there any among the vanities of the Gentiles that can cause rain? or can the heavens give showers? art not thou he, O Yahweh our God? therefore we will wait upon thee: for thou hast made all these things.

I see absolutely no admission of guilt by anyone in the quote "United States government" and rarely am I seeing anything from the lips of the people.

As a result, I'm seeing all sorts of crazy, insane solutions to this problem - whether real or imaginary - and quote solutions that if followed - will drive men farther away from the Perfect Will of God for His creation.

Lightening up just a little bit for a minute, seeing all the doublemindedness in action right now is quite comical. For instance, just two weeks ago, if a man would have walked into - say a bank - with a mask on his face - mass hysteria would have erupted. Alarms would sound. Guns would be drawn. The cops would swarm. It would be a major scene created by this man walking into the bank with a mask on.

Yet two weeks later - well - if you could even find a bank that was open - if a man walks into the bank WITHOUT A MASK on - he might possibly create hysteria and panic.

Amazing what mind control takes place when Yahweh has smitten people with insanity because they have refused to obey His Laws.

Last week Michael told me that he wouldn't be surprised if the U.S. quote "government" ordered people to wear diapers on their faces - and the people would obey. Then, the very next day there was an article that a Tennessee doctor was telling people that they should wear diapers - that diapers provided better protection than the regular masks. How laughable? The people act like babies. They act like they need to be

told what to do, where to go, what to eat, where to breathe, stay in their house jails - they act like babies and their government is making them look like babies and they still don't get it.

Psalm 59:1

Deliver me from mine enemies, O my God: defend me from them that rise up against me.

[2] Deliver me from the workers of iniquity, and save me from bloody men.

[3] For, lo, they lie in wait for my soul: the mighty are gathered against me; not for my transgression, nor for my sin, O Yahweh.

[4] They run and prepare themselves without my fault: awake to help me, and behold.

[5] Thou therefore, O Yahweh God of hosts, the God of Israel, awake to visit all the heathen: be not merciful to any wicked transgressors. Selah.

Again, brethren. Be careful how you pray for those who refuse to obey God.

[6] They return at evening: they make a noise like a dog, and go round about the city.

[7] Behold, they belch out with their mouth: swords are in their lips: for who, say they, doth hear?

[8] But thou, O Yahweh, shalt laugh at them; thou shalt have all the heathen in derision.

Teresa and I were in Springfield the other day and there were people - riding in their own cars - by themselves - with masks on. Now people are putting diapers on their faces? Diapers go on baby's butts - people - they aren't supposed to be on adult's faces. Yahweh is laughing - laughing in derision at the foolishness of people - people who refuse to submit to the Laws of God - now - because their sandy based foundation worlds are crashing - and He is in the heavens laughing at them - with derision.

[9] Because of his strength will I wait upon thee: for God is my defence.

[10] The God of my mercy shall prevent me: God shall let me see my desire upon mine enemies.

[11] Slay them not, lest my people forget: scatter them by thy power; and bring them down, O Lord our shield.

[12] For the sin of their mouth and the words of their lips let them even be taken in their pride: and for cursing and lying which they speak.

[13] Consume them in wrath, consume them, that they may not be: and let them know that God ruleth in Jacob unto the ends of the earth. Selah.

Oh friends. Here it is. Let them know that God ruleth in the commonwealth of Israel unto the ends of the earth. But where is the commonwealth of Israel? Where is Jacob? Where is Abraham? Where is David? If Abraham were alive today, would he be cowering in the corner with a diaper on his face? How about David? Killed lions and bears as a young man with his bare hands. Killed a 10 footer with a sling and a stone. Would he be cowering in a corner with a diaper on his face?

[14] And at evening let them return; and let them make a noise like a dog, and go round about the city.

[15] Let them wander up and down for meat, and grudge if they be not satisfied.

[16] But I will sing of thy power; yea, I will sing aloud of thy mercy in the morning: for thou hast been my defence and refuge in the day of my trouble.

[17] Unto thee, O my strength, will I sing: for God is my defence, and the God of my mercy.

So, let's put diapers on our faces and confine ourselves to our jail-houses and sing about the land of the free and the home of the brave. Teresa told me about a new saying going on with the U.S. - it's now - divided we stand - united we fall. Absolutely, that should be their new motto.

Bill Gates announced this week that things will definitely not be the same when he decides that the lockdown will be lifted. Faucci said it's possible the little kiddies can get back to school this fall - but they will not recognize it.

Their solutions will be mandatory vaccinations. I think it's funny how that just a couple weeks ago, Gates said that a vaccine for the coronavirus was at least 18 months away. Now, this past week, they said vaccine production has been occurring at lightspeed. Imagine that.

Alright. Now let's get back to serious business again.

I have told you in the past couple messages how that I've been encouraged by the numbers of people that have been listening to the messages, downloading the books, etc. And I am. Considering the message that I preach, I'm actually amazed at what I'm seeing. By the end of the day last Sunday, last Sunday's message had been downloaded 128 times.

I think that's fantastic. Considering the fact that Yahweh rarely used large numbers of people to accomplish great things for Him - I am humbled on one hand - and excited on the other. It's getting to be almost a daily thing now to hear from people - that I didn't even know were listening - write to me and tell me how their perspectives have been changed from the Matthew 24 series.

I hear from all age groups - men - women - and young people. I am encouraged.

I was reminding my wife of the story of Gideon this past week. Gideon started out with over 30,000 soldiers and Yahweh sent most of them home after they failed the first test. I can see Gideon sitting there looking at 30,000 plus soldiers and thinking, "Thank you, Lord, let's get busy with these 30,000." Then Yahweh says send a whole bunch of them home, Gideon, we've got way too many. Each time a test is given and those that failed are sent home until Gideon is left with a whopping 300 men. But not to fear Gideon,

Yahweh is with you, you mighty man of valor.

While I have been hearing from many people, I'm also hearing from people asking what should we do? Some of the answers are easy. For instance, we should be in ecclesia.

Ok. Sounds easy enough. We sell everything we have, each of us, come together, look at purchasing some land and we all move to the generally same area and live happily ever after serving Yahweh and His Laws as the nation of the commonwealth of Israel. That's easy, isn't it? We all should be able to get our places sold tomorrow and we should be together by next weekend. Right? No one said this was going to be easy - the talking part is easy.

As simplistic as that is, though logistically it sounds insurmountable, that is still what we should be moving towards. We should see as the ultimate goal - physically living in closer proximity with other citizens of the commonwealth of Israel. That should be the ultimate goal. But the reality is - we are years away. We should have been doing this years ago. We should have been the nation we are supposed to be years ago. But because we've been misled for so long - many are just now getting their minds changed and opened to truth - that has to take place before the physical changes occur.

So, what can we do today?

I am going to share with you a little of what's been on my mind for several years now - and mainly because of the war that has been declared on me. My eyes have been opened more in the last 5 years to quite possibly some things that I should have done in my own life that would be benefitting me in the war now.

As most of you know, there has been a movement going on in America, for at least as long as I can remember, my earliest recollection is the 1970s, but I know it was going on way longer than that. But there has been a quote "patriot movement" that has been going on for a long time.

As you know, I do not buy into the "patriot movement." I am not a U.S. citizen. I am not a Missouri citizen. I am not interested in seeing the U.S. or Missouri return to their original organic CONstitutions. I do not believe the solution to men's problems is a return to their original organic documents. I agree, there are a few, a few, things in some of those organic documents that appeal to me. For instance, in what they call the "declaration of independence" - I like the sound of quote "governments are instituted among men and they derive their just powers from the consent of the governed."

In its original state, that still doesn't work for me, but the concept that men have a choice in their government little G - or in their Government - capital G - that rings a bell with me. Choose you this day whom you will serve. Either follow Yahweh, God of Israel with His Laws, Statutes, Commandments and Judgements, or follow your fathers George Washington, Thomas Jefferson, John Adams as they seek to follow the gods of the Amorites.

I like that concept. I like the concept that every man has a choice as to who he will be governed by.

I like the concept that when men no longer approve of the government of their choice - in other words - when they realize that they made a huge mistake by not exclusively following Yahweh and being a citizen of the commonwealth of Israel - they can throw off whatever their choice of government was - and begin to walk in the Government (capital G) of their choice.

I like that. I like that even those who have chosen for themselves to serve the gods of the Amorites like their fathers did on the other side - all men have the quote "right" to peaceably assemble, to peaceably create Civil Government as they see fit - the best way to secure to themselves and their posterity, life, liberty and the pursuit of happiness. I like that.

Now, that of course, falls considerably short when compared to the fact that Yahweh demands that His Creation come out from among the governments of men and join as citizens of the commonwealth of Israel. That is a command. It is not a right. It is not a suggestion. It is a command. It is an essential aspect of faith - the faith of Abraham - the faith of James, John, of David, of Gideon - it is an essential aspect of faith - that system of belief based on the truths contained in the Word of God - that ends up with saving faith. Salvation that comes from being led to the knowledge of the truth.

We have a choice - we have a choice concerning Government - but there is only one choice. Understand that in the Old Covenant World, Yahweh was the Creator of all the governments in the world. He created good ones. He created bad ones. He created them all. All of them - even the bad ones - were operating under the Authority of Yahweh. But in the New Covenant World - there is only One Government that is operating according to His Authority. He brought down ALL the governments He had created in the Old Covenant World. No Government exists today by His Authority - except for One - and that is the commonwealth of Israel - the Government of God, the Ecclesia, the Kingdom of God.

[8] And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross.

[9] Wherefore God also hath highly exalted him, and given him a name which is above every name:

[10] That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth;

[11] And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.

Do we believe Philippians 2:8-11? Where does this leave men's governments? What does the word name mean in Scripture? It means Authority. No names are even allowed to exist in the New Covenant World because every name - every authority - has been forced to bow to the Name the Authority of Jesus and every tongue has been forced to confess that Jesus Christ is Lord - the One Who is Supreme in Authority.

But today, they aren't doing that. Yes. Because in the New Covenant World - outside the gate STILL - then, today and forevermore -

For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.

There are always going to be those who refuse to bow the knee. But it doesn't matter whether they do it or not - God has already exalted His Name - He's already declared that His Name is above every name - and every knee and tongue is to confess that He is Lord. There is no room for anyone or anything else. Now they can keep on trying. They can keep on resisting. They can build their kingdoms and their governments - but they are all built on rebellion. They are all dogs, sorcerers, whoremongers, murderers, idolaters and lovers and makers of lies. They are not functioning in the Power and Authority of Yahweh. They can enlist the smoothest talking, slickest hair "churchmen" they can find to try to make it so - but it will never be in the New Covenant World.

Here's the problem. They have convinced themselves through their false religion, that they truly are of God. I believe that most of them really believe this to be true. And they think that we - God's people - are commanded by God to obey them. They really believe that.

I believe we are way way past the time where they should be educated to the contrary.

Now, I am going to tell you what I believe God may be leading me to do. I'm not going to tell you today this is what you are supposed to do. I've already told you what you are supposed to do. You are supposed to sell everything you have, and move to a general location with other citizens of Israel and be the nation of God. And have that done by next weekend. All 128 of us. Next weekend.

I have come to the realization that war was declared on me by these men in their governments because they have falsely thought that I belong to them. As long as the children of Israel were in Egypt is it safe to say that the pharaohs had decided they owned the Israelites? When you read the story of Moses and Aaron going to Pharaoh and telling him that God said to let His people go - you can see from Pharaoh's response that the Israelites were slaves. The Egyptians felt as if they owned them.

Today, in the U.S., I've tried to live my entire adult life as a citizen of the commonwealth of Israel while still living in a land where others believe belongs to them. I taught my children they were to be citizens only of the commonwealth of Israel. I am not required by my God to carry identification papers. He knows who I am and that's all that matters. But, there is Biblical support for carrying papers that identify you as a follower of Christ. You can see this in Acts 15, Acts 22, Acts 28, I Corinthians 16, II Corinthians 3:1 and other passages. So for many years now, I carry with me an identification card that I made. I carry it in my billfold and it says that I am a citizen of the commonwealth of

Israel.

Understanding the history of ships and what it means to fly certain flags on ships on vessels - knowing that cars and trucks are vessels and quote "license plates" are flags on the vessel identifying citizenship of the vessel - for many years - not because my King or His Government had a Law concerning - I flew His flag on my vessels.

I said all that to say this - those who have come against me - have treated me - and still try to treat me like I belong to them. I do not. But they think they own me.

Those that are owned by them have paperwork that declares it. They have proof of ownership with certificates and licenses and registrations.

I'm saying all that to say this. I believe, that in my life - speaking specifically for me - I very well should have notified them many years ago that I do not belong to them. If they think they have claim to me, they need to fix it. They need to remove me from their registry or whatever they need to do - but they need to take me off their rolls.

For many years, I thought, I have repented. God knows I belong only to Him. I lived my life that way. I don't have their licenses and ids and registrations. It only matters that I'm right with God. And you know what, I still may be right about that.

But for the last several years now, I am feeling led to put together a document and send it to the people in their government system who think that I belong to them and let them know they are wrong about me. I think this would be a copy to the president, the congressmen from the state that thinks it owns me - the governor of the state that thinks it owns me - and even the county people.

I am seeing this - not as permission - from them - to do anything. I've already been living without their permission for over 40 years - I'm not talking about asking them for anything. I am talking about going to them and saying, "Yahweh said - Let my people go." It is sin and rebellion to my God for me to be thought of as a citizen of the U.S. or Canada, or Russia, or Australia - it's sin for me to be a citizen of the world - I've repented of that sin - remove from your citizenship directory and the obligations of your citizenship.

Now, if you don't let them go peacefully, you need to remind yourselves of the last time Yahweh sent His messenger to an earthly government and demanded that His people be let go. Remember now - and for those in their government that might be listening

today - there is absolutely no Biblical or historical account that the children of Israel laid one finger on one single Egyptian when they left Israel.

Don't you dare say that Charlie Steward is advocating violence against any man any where. I have NEVER advocated violence against any man and I am not doing so now.

There are a couple patriot groups out there who have been doing something similar to what I'm talking about - but of course - from the patriot perspective - and I'm not interested. But their concept has some things to look at.

For instance, a man in West Virginia has put together a document that lists over 500 ways the U.S. and their state governments have violated the contract of their CONstitution. And, on that point, they are correct. I haven't read all 500+ grievances - but I've said this before - quote "No state shall make anything but gold and silver coin a tender in payment of debt."

That's it. THEY break the contract. When a contract is broken by one party, the other party is no longer bound to the contract. That's been a universal understanding between men since men were talking to each other. You broke the contract - I'm out. On that basis alone - forget the other 499 grievances - that one alone is enough to void the contract. It's the CON that gave them the quote "power" to create quote "laws and statutes, taxes and regulations, etc." You broke the contract. It is null and void. For this, on this principle, the patriots involved principally, are correct.

I view this a little differently. God said, "Let my people go." We have failed miserably at being the commonwealth of Israel. We have disobeyed our God. We have not lived up to the terms of the agreement - we repent - now we have to break any perceived contract that you people thought that we had and we are going to go and be the people of God. Leave us alone!

I believe that they must be put on notice that we belong to Yahweh. We will follow His Laws, Statutes, Judgements and Commandments alone. We are supposed to be citizens of the commonwealth of Israel - and with or without geography - we are going to be the people of God. We don't commit murder. We don't steal. There is absolutely no need for us to be under their statutes - they don't apply.

We then need to act like we are who we say we are. If we have cars with their titles and registrations, we need to send them back. Tell them to remove them from their registrations. If we have property in the county - we need to tell them to take it off their

rolls - out of their registrations. Birth certificates, licenses, send them back and demand to be removed.

But aren't we asking for trouble? Friends, trouble's a comin' - whether we are asking for it or not.

Are you taking their mandatory vaccine filled with God knows what abomination that's in it? I'm not taking their test. I'm not taking their vaccination. I'm not taking their chips. They can only demand those things of their citizens. It's not quote "against the law" for a Canadian citizen not to obey U.S. statues. The statues apply to the citizens. They are obligations of citizenship.

I think it's interesting that in response to my messages, I've had a handful of people reject Fulfilled Bible Prophecy. I had more than a handful reject the teaching on "church" - well - I should say object - not reject - there have been some objections - but do you know I have not had one objection to the teaching concerning the commonwealth of Israel? Not one.

It is irrefutable that the book - God's Word - is a book about Israel. It is irrefutable that the New Covenant has a nation - the people of God - I Peter 2 - clear as anything can possibly be in the Bible - and Ephesians 2 names those people of God - the commonwealth of Israel.

Yahweh never said this was going to be easy. But friends, what is easier? Staying a citizen of the U.S. and being treated like a rebellious step-son and forced and beaten into submission because U.S. citizens obey - or else?

Or, putting on the whole armor of God;

Finally, my brethren, be strong in the Lord, and in the power of his might.

[11] Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

[12] For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

[13] Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

[14] Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;

[15] And your feet shod with the preparation of the gospel of peace;

[16] Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

What better example? This is more understandable and appropriate possibly than at any other time in my life. We are getting ready to have to deal with forced mandated vaccinations at the end of the fiery darts of the wicked. And we have been given the armour to stand against and quench not just this fiery dart - this needle - but all the fiery darts of the wicked. But we must put on Christ. We can't live like Judah did in Jeremiah 14 - then all of a sudden ask Yahweh to save us. Why do we think we are better than Judah was in the sight of Yahweh? Is it because "churchmen" have convinced us that all we had to do was recite the quote "sinner's prayer" then Yahweh will treat us differently than He has treated anyone else?

[17] And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

[18] Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;

This is far more appealing to me. Knowing that all I have to do is put on Christ - then stand - and let Yahweh fight the battle? Yeah, that's far more appealing to me than the alternative.

Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him.

Yeah, the crown of life is far more appealing to me than the alternative. So, what do you think? Anybody out there willing to explore this with me? My name will be the first one on the dotted line.

Moses and Aaron went to Pharaoh and said, "Yahweh said, Let my people go." Are there any more out there like Moses and Aaron in that day? Are there any more Joshua's and Caleb's out there today? How about even a Martin Luther - a churchman no less - who nailed the paper to the pope's door?

How about any Ananiahs, Hazariahs, and Mishraels - any of those out there ready to stand and say - "Go ahead, heat up the furnace 7 times hotter if you want to - but whether or not God saves us from the burning, fiery furnace - He will deliver us.

And what shall I more say? for the time would fail me to tell of Gedeon, and of Barak, and of Samson, and of Jephthae; of David also, and Samuel, and of the prophets:

[33] Who through faith subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions,

[34] Quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens.
